THE PURINA® PRO PLAN® TOP 100 ALL-BREED CHAMPIONS

THROUGH DECEMBER 31, 2007

Champion dogs are a product of training, conditioning, genetics, care and excellent nutrition. Purina provides the nutrition for 79 of the Top 100 AKC All-Breed Champions (names listed in red feed PURINA brand dog food). That's a fact that may have other dog owners taking a second look at PURINA® PRO PLAN® brand dog food.

Talk to the handlers and owners who care for these special dogs and you'll learn why more and more of these ranked champions are eating PURINA brand Dog Foods. If your dog is a top Purina Champion, and not highlighted in red on this listing, contact Purina so we can acknowledge his/her special status. Get in touch with your Purina representative or call 314-982-4229 for details.

With years of nutritional research to its credit, Purina has taken pet nutrition to a new level. As a result, its pet foods deliver terrific results for Champion Dogs like you see listed here. When your dog eats Purina foods, you can rest assured that he/she is benefiting from some of the most advanced science—and some of the best nutrition—in the world. More and more champion dogs rely on Purina nutrition and it shows! Visit our web site, www.purinaproclub.com, to check the schedule for a complete listing of future shows and to learn more about the benefits of being a Purina® Pro Club® member.

The statistics shown are provided and based on the computer show records maintained by the AKC for events starting January 1, 2007 and processed through December 31, 2007. Every reasonable effort was made to assure accuracy and completeness of these records.
